

Mukhtar Shah

Node.js Developer

Mumbai, India — +91 72086 81868 — mrmukhtar005@gmail.com

[LinkedIn](#) | [GitHub](#)

Professional Summary

Motivated and detail-oriented Node.js Developer with strong expertise in Node.js, JavaScript, Python, and SQL. Experienced in building scalable server-side applications, REST APIs, and ML-powered web applications. Passionate about writing clean, efficient code to deliver reliable and high-performance solutions. Seeking entry-level Node.js Developer roles.

Technical Skills

Backend: Node.js, Express.js, REST APIs

Languages: JavaScript, Python

Databases: SQL, MySQL, SQL Server

Dev & Tools: Git, Jupyter Notebook, VS Code, Streamlit

Certifications

- **IBM SQL Certification** – IBM ([View](#))
- **Data Analytics** – Develearn Institute ([View](#))
- **Data Analytics Virtual Experience** – Deloitte Australia (Forage) ([View](#))

Projects

Bank Management System

Python, OOPs

[GitHub Link](#)

- Built a console-based Bank Management System in Python using Object-Oriented Programming principles
- Designed 4 classes — Bank, Customer, Account, Transaction — implementing core OOPs concepts
- Implemented features: customer management, account creation, deposit/withdraw, and transaction history

Loan Approval Prediction

Python, XGBoost, Random Forest, Streamlit

[GitHub Link](#)

- Developed an ML-powered web app to predict loan approval using XGBoost and Random Forest
- Achieved 98.5% accuracy with XGBoost; compared 4 models: Logistic Regression, Decision Tree, Random Forest, XGBoost
- Built an interactive Streamlit web app for real-time loan approval predictions based on applicant details

Retail Sales Analysis

Python, Pandas, Matplotlib, Seaborn, SQL

[GitHub Link](#)

- Analyzed 100K+ retail transactions across 4 product categories to uncover sales trends and customer behavior
- Identified Books as top revenue category (Rs. 6.26M) with balanced contribution across categories
- Discovered discount strategy has minimal revenue impact (correlation: -0.088)

Education

Bachelor of Computer Application (BCA)

June 2025

Chandrabhan Sharma College, Mumbai

Higher Secondary Certificate (HSC)

April 2022

Aakash Junior College, Mumbai

Secondary School Certificate (SSC)

March 2020

Shivner Vidya Mandir High School, Mumbai

Leadership & Volunteering

HOD – Techfest

Mumbai, India

- Led website development for college Techfest using React.js and Tailwind CSS
- Coordinated with event teams and maintained regular updates across all stakeholders
